Dear Parker and staff.

On behalf of the staff and students from the School of Building & Construction of Manukau Institute of Technology, I would like to Thank You for your support in providing information about Steel Products & Steel Frames.

We particularly appreciate the contribution of the garden shed metal frames unit. The knowledge and information that was delivered during the visit to your company gave our students a great insight, regarding their trade and future industry

Thanks again and we look forward to your continued support in the future.

Yours sincerely
